

June 5<sup>th</sup>, 2025

Dear Supporter,

On the evening of Saturday, November 1<sup>st</sup>, 2025, the Burbank Youth Vocal Arts Foundation will present our 28<sup>th</sup> annual "***Night of Magic***" gala and fundraising event, featuring live and silent auctions, special celebrity guest appearances and performances by the Burbank Youth Vocal Arts students.

We invite you to help support the Burbank Youth Vocal Arts students by donating a valuable product, service or other item to our "***Night of Magic***" auction (including gift cards to spend in your store). In exchange, your business, brand and/or products will be promoted to many appreciative Burbank consumers just before the holidays.

All proceeds from our "***Night of Magic***" will help to fund individual student costs, general program expenses and our scholarship fund. This fund continues to allow deserving Burbank youth from all backgrounds to participate in this exceptional program. All donations are tax deductible\*.

I hope you will consider contributing to this wonderful event and to the overall advancement of youth in music. Thank you for your participation and generous community spirit.

Should you have any questions, please contact our BYVAF president, [President@BHSVocal.com](mailto:President@BHSVocal.com). Assistance with donation drop-off location and/or pick-up coordination will be provided.

Sincerely,

*Brett Carroll*
