

BURBANK YOUTH
VOCAL ARTS
FOUNDATION

Brett Carroll
DIRECTOR

August 1, 2025

Dear Supporter,

As we welcome in the new year, Burbank High School Vocal Music is in need of our community's support as we continue to expand and develop our program. We invite you to help build the Burbank Youth Vocal Arts students by donating to our incredible program and supporting our creative and talented group of students.

All proceeds and donations collected from our community, will help to fund individual student costs, general program expenses and our scholarship fund. This fund continues to allow deserving Burbank youth from all backgrounds to participate in this exceptional program. All donations are tax deductible.

In exchange for your donation, your business, brand and/or products will be promoted to a large number of appreciative Burbank consumers throughout the year in our programs, press and appearances. At the program sponsor level, we will also include a "Presented by" tag in our programs and install donor placards on a section of our auditorium with your company name, among other beneficial promotional efforts.

I hope you will consider contributing to this wonderful program and to the overall advancement of youth in music and the arts in public schools. Thank you for your participation and generous community spirit. Should you have any questions, please contact any of our board members below or feel free to contact me at any time.

Sincerely,

Brett Carroll
